The **Glory Road Gospel Quartet** is from Council Bluffs, Iowa. The group was formed in 1998 when the members discovered they had a common interest in the southern gospel style of music and a desire to develop a music ministry to spread the message of God's love, power and grace through song. As part of this music ministry, Glory Road presents concerts and special music for churches, conventions, revivals, meetings and charitable events in Iowa, Nebraska, Missouri, Kansas, Illinois and Minnesota. The quartet has also had the privilege of participating in joint concerts with many of the region's favorite gospel groups. They have also "opened" for nationally recognized groups, The Melody Masters Quartet and The Blackwoods.

In addition to concerts and programs, Glory Road has completed five recording projects. You can listen to samples of their songs on the website at [www.GloryRoad.org](http://www.GloryRoad.org) and all their recording projects can be purchased at concerts, on the website or by sending an Email from the Contact Us page on the website.

The quartet will be singing in LeRoy on Saturday evening, 7pm, at Grace Christian Church. There is no admission charge for the concert or for the refreshments following, but there will be a free-will offering for the quartet. This event will fit in very well with all the other Summer Fest events.
